The North Annville Planning commission voted to retain same officers for 2021 term: Nelson Heagy, Chair; Charlie Bomgardner, Vice Chair; Brian Keck, Recording Secretary; Ben Bow, Commission Member and Randy Leisure, Township Supervisor liaison to Planning Commission.

We received copy of letter from DEP to North Annville Township. This letter were minutes of a May 9, 2019 meeting at Ebenezer Elementary School addressing permit for expansion of Greater Lebanon Refuse Authority. These minutes showed questions by attendees and answers by the GLRA about concerns over various issues of the expansion which includes an additional 47 acres with a new pad 140' above current pad.

Randy Leisure discussed current Fire Company issues in our township that have been discussed at township emergency committee. This committee has been gathering call records of both fire companies in township and accessing future equipment needs.

Randy also mentioned his communication with Curt Yordy who is trying to get around solar farm zoning ordinance by having a 5 acre solar farm for production of electricity for his own use.

Nelson Heagy adjourned meeting at 8:21 pm.

Respectfully submitted

Brian Keck, Secretary
